

CHRIS FLEMING

“World Investigator Spends 40+ Years Validating Ghosts, The Afterlife, and ESP Exists!”

Chris Fleming, internationally known medium, spiritual-paranormal consultant, lecturer, and author uses his experienced background, research and evidence to support and validate that consciousness survives death.

Studies show: 3 out of 4 americans believe in the existence of heaven or hell. 45% of Americans believe in ghosts. 29% felt in touch with someone who has died.

Chris has been featured on dozens of network television series including appearances on *Larry King Live*, *Inside Edition* and over 300 radio shows including multiple appearances on *Coast to Coast AM*.

Chris was made famous for co-hosting the hit docu-reality television series *Dead Famous* (BIO Channel) and *Psychic Kids* (A&E). He is recognized worldwide as an expert in the field of Paranormal Research and has appeared on the top paranormal TV shows including *Ghost Hunters* (Syfy Channel) and *Ghost Adventures* (Travel Channel).

Directors, producers, and entertainment executives love his authentic, articulate, polished, on-camera, and on-air presence. Chris’s personal traits coupled with his amazing ability to communicate with spirits through the use of technology and other verifiable means have made Chris a highly sought after expert for news media and the film industry. Well spoken, compassionate, and unexpectedly funny

– Chris is considered “*The Top Paranormal Guest* and “*A Must Have for an Entertaining and Engaging Show!*”
